My First Halloween in Canada

A song for Beatriz

Lake Country, Canada · Halloween 2026

Modern pop · Personalized song

October lights, a brand-new scene
A little like a movie dream
From Brazil to a Canadian sky
My first Halloween tonight

I'm Beatriz, and here I am
In Lake Country, making brand-new plans
Not far from Kelowna, autumn's in the air
Halloween is coming, magic everywhere

At George Elliot Secondary
Every day's a new discovery
Different streets and different views
A whole new world I'm walking through

Back in Brazil, they know my name
Here I'm learning a different game
A little nervous, a little brave
So many memories left to make

My first Halloween in Canada
Underneath the October sky
Brazil in my heart, Canada in my eyes
And I'm feeling happy to be alive

Oh-oh, what a night to remember
Oh-oh, these moments are mine
From Brazil to Canada
Two worlds shining in one life

Larissa's here, and Simon too
Juliana's part of this adventure, too
A Spanish friend, new stories to share
Halloween excitement everywhere

There's a cat, and Ash the dog
And even a chicken tagging along
Getting everything ready, side by side
For a Halloween with a Canadian vibe

A different home, a different place
So many names and friendly faces
And every little thing I see
Becomes another part of me

My first Halloween in Canada
Underneath the October sky
Brazil in my heart, Canada in my eyes
And I'm feeling happy to be alive

Oh-oh, what a night to remember
Oh-oh, these moments are mine
From Brazil to Canada
Two worlds shining in one life

To my family back in Brazil
You're close to me, and always will
Eduarda, Dad Rafael
Mom Schirley, Vânia as well

Though we're miles and miles apart
You're all right here inside my heart
And when I tell you what I've seen
You'll know just what this night means to me

My first Halloween in Canada
Underneath the October sky
Brazil in my heart, Canada in my eyes
And I'm feeling happy to be alive

Oh-oh, what a night to remember
Oh-oh, these moments are mine
From Brazil to Canada
Two worlds shining in one life

Lake Country lights, October air
A little piece of home is everywhere
My first Halloween, a memory to keep
A brand-new chapter, a brand-new dream
